

Title:

As-Built Configuration List

Aerojet Quality Note

J04

Rev #

Date

1

11/5/08

The supplier shall furnish with each unit a legible and reproducible copy of the “as-built” parts list (including Aerojet-furnished parts), identifying all part numbers, configuration, serial numbers (when required), lot control numbers, and quantities.

Rev	Date	Description of Change	Changed By

This document is an integral part of the contract (purchase order) in which referenced. **Applicable Revision:** The revision in effect at the time the purchase order is placed.
