

Contractor Equivalent Background Check (CEBC) Questionnaire

Company Name:

Date of Questionnaire:

Section A: By completion of this questionnaire, the Contractor listed above acknowledges that formal procedures have been developed and incorporated related to background checks for new or existing personnel who have the ability to access Controlled Unclassified Information (unpublished information conceived, created, developed, generated or used specifically in furtherance of a Missile Defense Agency contract or subcontract at any tier), hereinafter CUI. The Contractor has provided, for each of the four questions below, how the Contractor satisfies the contractually required access requirements.

1. Verification of Citizenship? Yes No

Describe the process, including identification of third-party service or website used to conduct the screening. NOTE: Form I-9 is not a method of checking citizenship.

2. Verification of Personal Identification (SSN)? Yes No

Describe the process, including identification of third-party service or website used to conduct the screening.

3. Completion of Criminal background Check? Yes No

Describe the process, including identification of third-party service or website used to conduct the screening.

4. Completion of Credit Report Check? Yes No

Describe the process, including identification of third-party service or website used to conduct the screening.
