

C05: Government Qualified Products List

Effective Date: 02/26/2018

By accepting this order, the supplier certifies that the material supplied is from a manufacturer on the current applicable Government Qualified Products List (QPL), and that records to substantiate this statement are on file and available for review by Aerojet or customer/government representatives.

For electronic components, the QPL is maintained on the website of the Defense Logistics Agency: Link: <https://landandmaritimeapps.dla.mil/programs/qmlqpl/>

The seller shall comply with the requirements of MIL-STD-750, MIL-PRF-19500 and MIL-PRF-38535.

When required by purchase order, group test results shall be delivered with the product.

Parts and/or material furnished must be manufactured only by those suppliers specified in the Purchase Order, drawings, specifications, or applicable Qualified Products List. Certifications that accompany the shipment must provide traceability to the approved directed sources.

For SAE specifications that have superseded MIL specification, this QPL requirement does not apply.

This document is an integral part of the contract (purchase order) in which referenced. **Applicable Revision:** The revision in effect at the time the purchase order is placed.
