Aerojet Quality Note

D02

Rev #  Date
0      10/31/08

The seller end items shall be identified with Aerojet-provided serial numbers as defined in applicable drawings, specifications, and the purchase order. Serial numbers shall not be duplicated. Serial numbers shall provide full traceability to all material, fabrication, assembly, inspection, and test documentation.

---

This document is an integral part of the contract (purchase order) in which referenced. **Applicable Revision:** The revision in effect at the time the purchase order is placed.
