11/12/08

Applies to all Electrical, Electronic, and Electromechanical (EEE) components and devices being delivered as detail items per this order, and all EEE components and devices included in assemblies and subassemblies being delivered per this order. A legible copy of any manufacturer's or authorized distributor's certification stated herein shall be delivered as part of the data package. Seller's Certificate of Conformance shall, at minimum, include the following:

- Seller's Name and address
- Seller's and / or Buyer's Part number and dash number
- Batch identification for the item(s) such as date codes, lot codes, serializations, or other batch identifications.
- Signature or stamp with title of Seller's authorized personnel signing the certificate.

Note: - Distributors shall, in addition to the above, include actual manufacturer's name for each item shipped.

Rev	Date	Description of Change	Changed By

This document is an integral part of the contract (purchase order) in which referenced. **Applicable Revision:** The revision in effect at the time the purchase order is placed.
